Setup and basics

Assemble headset

Your headset components easily snap into the headset frame to configure the best fit and sound.

- 1 Follow the diagram to put your headset together.

- 2 The headband adjusts to three sizes (small, medium, large) by moving the earcups. To remove an earcup, press the earcup to detach it from the headband.

Be safe

Please read the safety guide for important safety, charging, battery and regulatory information before using your new headset.

System volume

To adjust system volume, check your console's user guide.

Volume

To adjust the volume, slide the volume control.

Mute

To mute your headset, slide the mute switch to reveal the red color.
